

# AMERICAN FENCE COMPANY

## DEALER SERVICES

### DELIVERY

AFC will review each order with you to determine the quickest and least expensive means of delivery. AFC will deliver the materials via our trucks or ship common carrier.

### QUOTATION ASSISTANCE

*Send us plans and specifications, and we will provide you with a breakout of materials.* If no specifications are provided, we can assist you with determining the needed materials. Review "Policy and Terms" for more details.

### JOB TRACKING

*Look in your local "yellow pages" and you will find listed American Fence Co.* As a dealer, you will receive any referrals from customers in your area. Using a comprehensive job tracking program, AFC will provide you with an update of local projects in your area.

### CO-OP ADVERTISING

*AFC can help let everyone know that you are their source for all of their fencing needs.* Whenever you advertise fencing, we will share the cost. Cost sharing based on previous sales. Call your sales representative for more information.

### EDUCATION & TRAINING

*If you ever have any questions about materials or installation, we want you to call us.* AFC will provide any technical support via phone, fax, mail or personal contact. Furthermore, we would enjoy the opportunity to conduct a sales or installation seminar for you or your installers.
